Dear Mr. Greet:

In reply to your letter of 20 April,  
my name should be pronounced with the vowel of curt  
rather than coat or cot.

Sincerely,

Letter of 20 April: "Would you  
be so kind as to tell us which  
pronunciation of the name  
Hillenkoeter you would prefer  
for use on the air. Does the  
third syllable rhyme with cot  
and knot or with coat and note?  
We greatly appreciate your  
assistance in this matter."
